Sir:

I, Phillip M. Adams, the inventor named in the above-identified patent application, hereby declare: that I am a citizen of the United States; that my residence and post office address is 313 Pleasant Summit Drive, Henderson, Nevada 89012, that I verily believe I am the original, sole and first inventor of the subject matter of the invention or discovery for which a patent is sought and which is described and claimed in the above-identified application; that the subject matter of the amendments dated February 10, 2004, June 22, 2004, and September 2, 2004 was part of my invention and was invented before the filing of the original, above-identified patent application; that

I have reviewed and understand the contents of the specification of the above-identified application, including the claims, as amended by the amendments referred to above; and that I acknowledge the duty to disclose to the Patent and Trademark Office all information known to me to be material to patentability as defined in Section 1.56 of Title 37 of the Code of Federal Regulations.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and, further, that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed at SLC, Utah this 7TH day of OCTOBER, 2004.
